Annual Member and Guest Weekend – 26th to 28th May 2017

Thanks to the success of the events held last year in our 400 years of golf in Dornoch celebrations we anticipate a good entry for the Annual Member Guest Weekend this coming May, which will be continuing in the three day format.

Once again, we will be using both courses to maximize participation, but I am afraid this does limit the competition to an entry of 100 teams. Each team must comprise of a Member and a Guest (Non Member) with places allocated strictly on a first come first served basis. For the purposes of this event a Struie member is classed as an Ordinary member.

Unfortunately, there will be no marquee this year for the Saturday night dinner. The expense of such a venue makes it unviable and so this year the catering for the event will be kept in house. Therefore, due to the limitations of the clubhouse seating, the Saturday night dinner will be limited to 100 diners and I realise that this will lead to disappointment for some competitors.

To keep it as fair as possible, a ballot will be held for the Saturday night dinner but the catering will be open to all over the entire weekend and those unfortunate to miss out in the ballot for Saturday will have priority for booking the Friday night in the clubhouse.

In addition to prizes for each day, the overall Captain's Prize will be awarded to the team accumulating the most stableford points over the weekend (with the best 2 days from 3 to count).

As this is a popular event in the calendar we encourage Members to book early to avoid disappointment.

On Friday 26th May, the format will be "two ball better ball" stableford on the Championship Course. Tee times will be available from 11.30am to 4.30pm. Please indicate your preferred tee-time on the entry form. Dinner will be available in the Clubhouse will booking preference given to those who are unable to, or have missed out on the ballot for, the Saturday night dinner.

Saturday 27th May, will be a Texas scramble stableford competition on the Struie Course. With tee times available between 8.30am – 1.30pm. At 7.30pm there will be a Dinner in the Clubhouse for all competitors and guests, followed by the prize giving for the Friday and Saturday events and a "Captain's Charity" auction. The Dinner will be limited to100 with places allocated, as highlighted above by ballot. To help this run smoothly it would the staff if you could pre-order your wine.

Sunday 28th May, will be a two person Greensomes stableford on the Championship course. Tee-times will be available from 8.00am – 1.00pm with the prize giving in the Clubhouse immediately after the conclusion of play.

The cost for each golf tournament is £20 per team per day, which includes the Welcome Reception on Friday evening. The Saturday Night Dinner will cost £30.00 per person.

It promises to be an exceptional weekend of golf and a brilliant opportunity to introduce close friends and associates to Royal Dornoch Golf Club, and all in aid of an excellent cause, the Captain's Charity.
