

## **Captain's Invitational Member and Guest Weekend – 21<sup>st</sup> to 23<sup>rd</sup> May 2021**

While it is over eight months away for our 2021 Captain's Weekend we are inviting applications so that away members can plan ahead and we hope that by then restrictions on travel will ease. What we can confirm is that we will continue with the successful three day format.

The weekend will be limited to an entry of **90** teams. Each team must comprise of a Member and a Guest (Non Member) with places allocated strictly on a first come first served basis. For the purposes of this event a Struie member is classed as an Ordinary member.

**Entries will only be accepted on the official form (over the page) and by being emailed to [bookings@royaldornoch.com](mailto:bookings@royaldornoch.com) No physical forms will be accepted by hand at the office but maybe sent through the post**

We shall have to consider the advice for Government limitations for dining and clubhouse seating for the Saturday night dinner nearer the time but all going well we will be to accommodate 96 diners as usual although and I realise that this will lead to disappointment for some competitors.

To keep it as fair as possible, a ballot will be held for the Saturday night dinner but the catering will be open to all over the entire weekend and those unfortunate to miss out in the ballot for Saturday will have priority for booking the Friday night in the clubhouse.

In addition to prizes for each day, the overall Captain's Prize will be awarded to the team accumulating the most stableford points over the weekend (with the best 2 days from 3 to count).

As this is a popular event in the calendar we encourage Members to book early to avoid disappointment.

On Friday 21<sup>st</sup> May, the format will be "two ball better ball" stableford on the Championship Course. Tee times will be available from 8.30am to 4.30pm. Please indicate your preferred tee-time on the entry form. Dinner will be available in the Clubhouse with booking preference given to those who are unable to, or have missed out on the ballot for, the Saturday night dinner.

Saturday 22<sup>nd</sup> May, will be a Texas scramble stableford competition on the Struie Course with tee times available between 7.00am – 3.00pm. At 7.30pm there will be the Dinner in the Clubhouse for competitors and their guests followed by the prize giving for the Friday and Saturday events and a "Captain's Charity" auction. The Dinner is limited to 96 with places allocated, as highlighted above, by ballot. To help the dinner run smoothly it would help the staff if you could pre-order your wine.

Sunday 23<sup>rd</sup> May, will be a two person Greensomes stableford on the Championship Course. Tee-times will be available from 7.00am – 3.00pm with the prize giving in the Clubhouse immediately after the conclusion of play so those travelling far can head away.

The cost for each golf tournament is £20 per team per day and the Saturday Night Dinner will cost £30.00 per person.

While we have endured a difficult time since March we look forward to another exceptional weekend of golf and a brilliant opportunity to introduce close friends and associates to Royal Dornoch Golf Club, and all in aid of an excellent cause, the Captain's Charity.
